THE PEPS LIFE

Your mattress is not a one-size-fits-all product.

Whether you live in your bed, or simply long to get back to it, nothing turns your home into a comfortable R&R zone like your mattress. You most definitely deserve a choice.

And nobody understands this better than Peps. Right from day one, Peps has taken great pride in providing the customers a thorough understanding of what goes into the construction, design and build of a mattress to help them make a decision and gain full confidence in their purchase.

Peps has consistently worked to understand the requirement and invested in technology, R&D and exceptional customer service and support to ensure that your mattress goes beyond delivering a great sleep that helps you wake up refreshed, focused, healthy and happy.

Peps knows mattresses. Rest assured, you can trust Peps to wake up feeling on top of the world.

CRAFTED FOR AN INDULGENT SLEEP

peps®

INDIA'S FAVOURITE SPRING MATTRESS

ADVANTAGES

The Double Decker is an indulgent 16-inch ultraluxe mattress made with revolutionary Dutch Talalay climate-control latex foam, offering elasticity, durability, and plush comfort. ENJOY NATURE'S GOODNESS

ADVANTAGES

Organica is an eco-friendly, chemical-free mattress that's anti-microbial, dust-mite resistant, and hypoallergenic, ideal for those with allergy. Its air-circulating sub-surface reduces night sweat moisture, and pocketed springs adjust to every turn and roll. The Marvellous Middle® ensures firm back support, even pressure distribution, and ergonomic comfort. Machine-tufted cotton adapts to all climates, retains shape year-round, and allows easy movement.
