Crafting restful sleep for a restless world

For decades we have been developing cutting-edge technologies and the finest materials, and fine-tuning our craftsmanship in order to provide the most pleasant sleep possible to this restless world. The world's top hotels favour Springerit mattresses and beds because we blend premium attributes and offer the utmost in luxury and relaxation.

TRAILBLAZING TECHNOLOGY POWERING OUR PRODUCTS

CertiPUR-US® CERTIFIED FOAMS

Springfit's CertiPUR-US® certified mattresses assure you of the highest standards for content, emissions and durability.

AERO SLEEP TECHNOLOGY

All Springfit products come with integrated temperature regulating properties, which provide ample ventilation and enhanced breathability.

CERTIGUARD TECHNOLOGY

Silver-based antimicrobial, which reduces the growth of unwanted microbes in the mattress and gives safe, clean, and healthy sleep.

PEACE OF MIND GUARANTEED

Our dedicated customer care team takes pride in their work and focuses on always providing the best service and support.

2X FIRMER ORTHO SPRINGS

Designed specifically to offer additional support to joints, pressure spots, and your spine. This can be useful for people who have chronic pain or constant muscular and joint pain.

ANTI-SAG TECHNOLOGY

Bid farewell to sleeping in trenches or rolling in depressions. Springfit has mastered the art of creating mattresses with anti-sag technology.

Sleep Better, Live Better with Springfit!

We provide a broad selection of products to cater to all
your sleep requirements.

FOLDING ROLL-AWAY BED

The hotel industry is all about providing clients with agility and flexibility in terms of sleeping accommodations. We designed Folding Roll Away beds to meet these requirements while also providing hotels with mobility and capacity. Our Roll Away beds are foldable extra beds that are easy to store and install and can be ready to use in minutes. Especially beneficial for hotels, which regularly require additional sleeping space on short notice. This bed comes in two variations: with a headboard or without a headboard.

SPRINGFIT Hotel PILLOWS

SLIM CHILL (Cool Gel Memory Foam)
The Springfit Slim Chill Cool Gel Memory foam Pillow is a unique material that reacts to body temperature and moulds to the neck curve. To provide exceptional comfort.

SUPER MICRO-FIBRE PILLOW (Lite & Cozy)
The soft and lightweight Springfit Super Micro-Fibre Pillow has a fine peach finish that's soft to the touch. This pillow is filled with fine Denier micro-fibre that allows moisture & dust in the air to pass through it.

PREMIUM PILLOW (Soft & Cozy)
The Springfit Premium Pillow is made with satin strip fabric and delivers a truly luxurious sleeping experience, reserved for those who demand only the very best.

CUSHIONS (Stress Buster)
The comfort-enhancing and stress-relieving properties of Springfit products come alive in the Stress Buster range of cushions, which are firm enough to support the vertebrae, while also being extremely comfortable.

SPRINGFIT Hotel COMFORT ACCESSORIES

CUSTOMISED FILLERS
Our Springfit Platinum Quilt/Duvet filler offers the epitome of winter sleep comfort. With its 100% pure cotton fabric, high thread count, and lightweight design, it's the perfect choice for a restful night's sleep.

MATTRESS PROTECTOR
Safeguard your investment with our premium Mattress Protector, designed to protect your Springfit mattress from harm while adding a refined layer of comfort.

BED LINEN
Springfit's range of bed linen comes in a wide array of thread counts, from 200TC to 400TC. Our recommended thread count is 300TC, as it delivers the ideal levels of comfort, luxury and aesthetics.
