About Us

Building upon 40 years of legacy, advancing to new heights

At VFI Group, our legacy spans over four decades of excellence in delivering world-class sleep solutions. With a diverse portfolio of premium brands, we have consistently set industry benchmarks in India and beyond. Today, we move forward with a renewed vision, committed to innovation, sustainability, and comfort, shaping a brighter and more restful future for generations to come.

Reimagining sleep, redefining tomorrow.

At Springfit Premium Mattresses, we don't just make mattresses, we craft tomorrow's sleep. Recognized among the Most Trusted Brands of India, we're the flagship of VFI Group, India's largest luxury mattress brands group.

With over 40 years of legacy, six world-class factories and in-house testing labs, every Springfit mattress is a masterpiece, where science meets soul, and comfort becomes couture. Infused with innovation and tradition, our sleep solutions are designed to elevate rest into an experience. Because with Springfit, sleep isn't routine — it's revolutionary.

Innovation and technology that makes
our products #1 choice

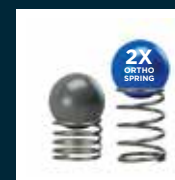

CertiPUR-US® CERTIFIED FOAMS

Springfit's CertiPUR-US® certified mattresses assure you of the highest standards for content, emissions and durability.

CERTIGUARD TECHNOLOGY

Silver-based antimicrobial, which reduces the growth of unwanted microbes in the mattress and gives safe, clean, and healthy sleep.

2X FIRMER ORTHO SPRINGS

Designed specifically to offer additional support to your spine, joints, and pressure points — ideal for those with chronic pain or persistent muscular discomfort.

AERO SLEEP TECHNOLOGY

All Springfit products come with integrated temperature regulating properties, which provide ample ventilation and enhanced breathability.

PEACE OF MIND GUARANTEED

Our dedicated customer care team takes pride in their work and focuses on always providing the best service and support.

ANTI-SAG TECHNOLOGY

Bid farewell to sleeping in trenches or rolling in depressions. Springfit has mastered the art of creating mattresses with anti-sag technology.
